

British Racing & Sports Car Club North Western Centre Annual Dinner Dance News

Dear Sirs,

The BRSCC North Western Centre annual dinner will soon be on us, Saturday 6th March 2010 at the Park Royal Hotel Warrington.

Again at last years dinner we raised with your help £3,300.00, which was a tremendous achievement, this money was used towards the purchase a new Defibrillator for our Rescue Unit.

This year we are looking to raise £3,000.00 to purchase a fluid warmer for the intravenous fluids and new sets of overalls and associated clothing for the crew of our Rescue Unit pictured below.

Can you all please dig deep and help in any way you can. Any items will be appreciated no matter how small or large, items such as clothing, umbrellas, racing memorabilia, autographs, team shirts, caps, car parts, pictures, prints, paintings, books, videos, tickets, pens, test drives, badges, or indeed anything interesting will be gratefully received.

Perhaps one of the Clothing and Accessories Manufacturers would be interested in sponsoring our Rescue Unit by way of helping us with new clothing for the Rescue Unit Crew, full recognition would be provided to the sponsor along with a link on our web site to the sponsor's web site.

If you have any items that would help us on the night, posters, marketing material etc to decorate the function room and make it look like a Racing Car Clubs Dinner, then they would be more than welcome.

By helping us with as many items you can, we can generate real money by raffling and auctioning the items. It does not matter what the items are, we have had some really odd items over the years, we have never got to a full car but have come close, if its lying in your garage or workshop unwanted and gathering dust why not let us have it, think of all the welcomed space you will generate. Why not have

that early spring clear out now. What about any items left over from The Autosport show, don't just put them away in a cupboard, put them to good use.

If you are going to reply to us with a sorry we cannot help letter, could you not even find us a pen, key ring or other small item to put in with the letter, every item helps us, every item earns money and all the money raised goes to new equipment for our Rescue Unit, This benefits us all by ensuring we have the most up to date medical equipment available to us.

Don't forget we also hold on the night a free raffle for Marshals only, with one or two special prizes to say thanks to the Marshals for all the support we received from them during the season.

So please don't say "No!" help us in any way that you can. Lets see if this year we can come up with some really good items that can be auctioned to raise the maximum we are looking for on the night.

Any items can be sent to:

Mr Graham Lindley, C/o New-tonne Lifting Services, 16 Junction Lane, Sankey Valley Industrial Estate, Newton-le-Willows, Merseyside, WA12 8DN, Tel: 01925 224471. Fax: 01925 223518. Mobile: 07813 700684

Or alternatively we can arrange to collect them if it is more convenient.

Thanking you in advance for your kind support.

Yours faithfully

Graham Lindley
