

OFFICIALS' AND MARSHALS' STANDING INSTRUCTIONS - OULTON PARK

Dear Marshal or Official,

On behalf of the BRSCC North Western Centre and Committee may we thank you very much with assisting at our race meetings.

ADMISSION, SIGN ON & ALLOCATIONS

Entry to the circuit will be by e-ticket, which will be e-mailed to you. Sign on is online via the BRSCC RaceHub if you have volunteered directly with the club, otherwise via the sign on link on the Event page. The attendance check and post allocation time and location will be published separately on the BRSCC website. Your name will be entered into a raffle; winners will be announced during the day.

SAFETY

Marshals must at all times:

- a) Stand as far back from the track as their duties will allow.
- b) Make full use of the protective barriers or such means of protection that are available.
- c) Never stand with their backs to approaching traffic unless required to do so by definition of their duty.
- d) Never stand in groups of more than three.

At the conclusion of circuit activity, marshals must remain at their posts until stood down by an official course car.

CAMERAS & MOBILE PHONES

Mobile phones, camera phones and cameras must not be used when the circuit is live. The definition of a live circuit includes the recovery of cars and barrier repairs.

UNDER 18s

All marshals under the age of 18 must return to the Chief Marshal an indemnity signed by the parent or guardian giving them permission to officiate at the event. That young person's parent or guardian must also marshal with them.

PARKING

Marshals' cars must be parked well away from the circuit, and at a reasonable distance from spectator fences. MSV advise that vehicles are unlikely to be insured if they are parked behind the marshals' posts at Cascades or Druids.

INABILITY TO ATTEND

Any official or marshal who for any reason finds that they are unable to attend the meeting must inform the Chief Marshal, Margaret Simpson, as soon as possible. E-tickets must not be used or donated.

Thank you again for helping us with our race meetings.

Margaret Simpson
